MEMORANDUM FOR: Deputy Director (Support)

SUBJECT: CIA Building

Mr. Max Elliott of General Services Administration is away on a field trip until 4 October. I talked to Mr. J. H. Macomber, Jr., Acting General Counsel, who is generally familiar with our problem. I have sent him copies of our opinion and he has agreed to put his lawyers right to work and consult with us as soon as they have done their study. Probably this will mean Monday or Tuesday of next week.
